**Description**

- Rotational Golf

This is a 9-hole participation-based golf event aimed at students that haven't played golf before but are keen to give it a go. The event is modified so students have an enjoyable experience whilst out on the course. Players take part as a team and take shots on a rotation basis (eg Player 1 takes a shot, then player 2, then player 3 etc, until the ball is holed out). Teams of 3 or 4 (no more than four) can enter in TSSSA Rotational Golf.

- Disc Golf

This is also participation-based disc golf event aimed at students who haven't played before. Inglewood Disc Golf have a friendly team of volunteers who will walk around with your team to guide you through how to play disc golf on the course. The objective of disc golf is to throw your disc from the tee pad into the basket in as few throws as possible. You can sign up as an individual or as a team (up to 4). All the equipment is provided.

**Etiquette:**

- Quiet on the tees when a player is teeing off
- Replace any divots made on the tee and fairway
- Shout 'FORE' if you lose sight of your ball and/or you think it may come into contact with another player.
- If your ball lands on another fairway please pick it up and bring back to your fairway where it left. Only attempt to grab your ball when it is safe to do so.
- Do not take any trundlers onto greens
- Only use putters on greens
- No 'Happy Gilmour' style tee offs!
- Please respect other players and keep your 'rate of play' to an acceptable level - ie don't dawdle!
